

MOBILE BANKING from Iowa Savings Bank

Once you have successfully logged in to Iowa Saving Bank Online Banking on a computer you can also login to Online Banking via your smartphone with Mobile Banking!

STEP 1: On your smartphone type in: <https://ubank.iowasavingsbank.com> or <https://ubank.iowasavingsbank.com/1.wml> You will see this screen:

Enter your Access Number and type in the Random Code you see on the screen.

Hit Login.

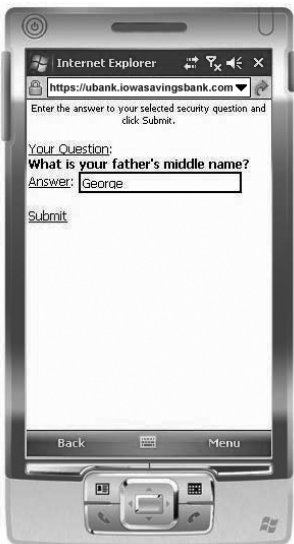

STEP 3: Next you'll see the Security Key information that you typed in during the security update process. Verify that the Key is correct to ensure that the site you are visiting is not a phished site. If you have any question on whether this phrase is yours or not, do not login. Contact Iowa Savings Bank customer service at 1-866-788-BANK

If the Security Key is yours, enter your password and hit Submit.

STEP 2: Next you'll be asked one of the random security questions you answered when you logged on for the first time. Type in your answer and click Submit.

STEP 4: You will see this screen when you login.

Not all features available on the web Online Banking site are available on Mobile Banking.

However, you can see what checks have cleared, view your balances and transfer funds online.

Enjoy using Mobile Banking from
Iowa Savings Bank!
